

PSA

Stand Together

It's time to unite!

The PSA, our union, is negotiating cost-of-living pay rises for people who work at 20 agencies across the public service.

Let's join together to oppose 'pay restraint' on public sector wages.

Let's use our collective strength to stop our pay from spiralling backwards.

Let's Stand Together as one public service.

To become part of NZs largest union, speak to a workplace delegate, call us on 0508 367 772 or visit our website below.
