union update

12 August 2020

Kia ora {firstname}

Recently, the MOJ National Delegate Committee had its first face to face meeting since February. It was great to see everyone in the flesh again and reminded us of the many challenges we faced during the lockdown.

The NDC team heard from PSA experts on Flexible work by default . This is a massive piece of work and we need to know as much as we can about it. The PSA view was valuable to hear and will inform ongoing conversations with the Ministry in this space. Check out the Te Kawa Mataaho Public Service Commission guidance on flexi work, and talk to your team about how you can make flex work for you.

We had Director for Security, Peter Cowan, join us for the first time. Court Security Officers are a key member group and we haven't had the necessary engagement with their reporting line in the past. We're hoping that good things will come out of this. More PSA engagement will mean our CSOs will have a meaningful way to contribute to the improvement of their working conditions.

Please check out the PSA's election campaign Let's Do Even Better and support the Aotearoa Wellbeing Commitment . This campaign is run by our old friend Brendon! Please share and get involved...

We did a good debrief around our COVID-19 learnings - how we responded and what we could do better. There were many successes in engaging with the Ministry, but obvious difficulties trying to do things on the fly. These learnings are being put to good use now as we navigate the COVID-19 resurgence in Auckland. Join us on Facebook live chat tonight Thursday 13th for a COVID-19 update.
