Dear

We ask that you stand with your employees for Pay Equity.

The Admin and Clerical workers lodged their claim on 18th April 2018. Two and a half years later they are at the final stages of negotiations but the DHB Negotiating Team still do not have an acceptable mandate to settle the claim as promised before the election. We need everyone's support to show the Ministry of Health how valued this workforce is to all DHBs. They are worth 100%.

We ask that you use your influence to encourage the Ministry of Health to settle the Admin and Clerical workers claim with urgency.

Yours,
