

# PSA

## strategic goals

### 2018 – 2024

Our purpose is to build a union that is able to influence the industrial, economic, political and social environment in order to advance the interests of PSA members – creating a better working life for our members.

Supporting these goals, and woven through them, is the PSA's commitment to advancing Te Tiriti o Waitangi principles through Ngā Kaupapa developed in partnership with Māori across the union.
